

care INSTRUCTIONS

- Store your earrings in a clean & dry place away from direct sun light.
- Remove earrings before getting into water. Do not get them wet!
- Clean plain (no glitter or foil) clay earrings with a baby wipe or slightly damp cloth. Dry before use.
- Clay earrings with foil/glitter are glazed for protection. Clean only with a damp cloth and no chemicals!
- Do not bend or drop your earrings. This weakens the clay and can break it.
- Avoid contact with perfumes, hairspray, makeup & moisturizers as they can cause discolorations to the clay.
